§2-304.

The appropriations described in this subtitle shall be used for programs, including related administrative expenses, directed at the following:

- (1) Communicable disease control services;
- (2) Environmental health services;
- (3) Family planning services;
- (4) Maternal and child health services;
- (5) Wellness promotion services;
- (6) Adult health and geriatric services;
- (7) Data management and exchange services regarding communicable diseases and other health matters, as allowed under federal and State law;
- (8) Providing protective equipment for nurses, physician assistants, physicians, and other health care personnel in contact with patients;
- (9) Providing equipment, medication, and other materials determined to be appropriate to prepare for potential communicable disease emergencies, or other public health emergencies; and
- (10) Administration and communication services associated with the provision of the services described in items (1) through (9) of this section.
